BOIL WATER NOTICE RESCINDED

May 16, 2019

On April 5, 2019, a rule under the Texas Commission on Environmental Quality (TCEQ) required the City of Ladonia Public Water System, PWS ID# 0740004, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of May 16, 2019.

If you have questions concerning this matter, you may contact Debbie Nichols at 903.367-7011 or Billy Rhodes at 903-217-1541, 100 Center Plaza, PO Box 5, Ladonia, Texas 75449.
