

Fannin County Mobile Food Pantry

Tuesday January 4, 2022

Due to the COVID-19, the North Texas Food Bank is shifting the mobile food pantry to disaster relief. We anticipate you will receive staples and produce to help during this tough time. You will be able to drive your car through – please do not exit car! Volunteers will load the boxes for you. Please check Feeding Fannin Facebook page for any additional information. No registration required.

Free and Fresh Produce

Like a market on wheels, the North Texas Food Bank's Mobile Pantry Truck travels North Texas to deliver nutritious food, including fresh produce and refrigerated items, directly to communities with high need.

Our Mission is to bridge the gap between hunger and abundance by quickly moving fresh, perishable and other frozen grocery products to high need populations through partnerships with sponsors, member agencies, volunteers and product donors.
