

# PROTECT YOUR HOME AND YOUR FAMILY

## FOLLOW THESE HOME SAFETY TIPS FROM McGRUFF:

- ✓ Keep your home well-lighted and always lock doors and windows.
- ✓ Install a security alarm system and motion-activated flood lights.
- ✓ Never leave valuables in plain sight. If you have garage windows, keep them covered.
- ✓ Keep your bushes and lawn neatly trimmed.
- ✓ Be sure your kids know important phone numbers and tell them never to answer the door or phone if you are not home.
- ✓ Trust your instincts. If it seems suspicious, report it to police.
- ✓ Organize or participate in a Neighborhood Watch program.
